Subject: RE: King David - Conceptual Stormwater Strategy

Dear Lisa

Our meeting yesterday refers.

The Catchment and Stormwater Management Branch (this Office) supports the proposed Conceptual Stormwater Management Strategy (C-SWMS) as presented at yesterday's meeting. Remember to amend the C-SWMS (minor changes) as discussed. You are more than welcome to submit the revised C-SWMS via the EIA application for official comment etc.

Note that this Office must read through all the specialist report to enable us to provide holistic comment etc.

Please note that these comments are based on the information that has been received to date. Should any new information be provided to this office, then this office reserves the right to review the recommendations as deemed appropriate.

Kind Regards/Ngemibuliso/Vriendelike Groete,

Johann Terblanche
